

Annuity Carrier Training Requirements

F&G

F&G's online training instructions are provided below. In addition to these carrier product training requirements, please be sure that you are compliant with all state training requirements prior to taking applications in states that require NAIC compliance.

Follow the steps below to ensure compliance with F&G's training requirements and avoid delays:

Product Training - Go to <https://training.fglife.com/>

- this site allows agents to do contracting before they are appointed or after.

The top login section allows contracted agents to use their credentials to login in.

The bottom section allows non contracted agents to access product training by using their email address and the last digits of their social security number.

The current link requires an agent ID to login.

For any training questions contact F&G at 800.445.6758
